The title of today's Interview is: **"New Help For Getting Started Fast With Online Business – An Interview With Daniel Hall"**

My name is **Jim Edwards** and today I'm talking with **online business** Expert **Daniel Hall** about new developments in the area of **getting started fast with online business** and his **"Real Fast" Info-Product Line**.

Welcome **Daniel Hall!**

Daniel Hall is a well-known expert on the subject of **getting started fast with online business** and has graciously consented to this interview to share extensive knowledge and experience so every **Entrepreneur** can understand **how to take an idea and run with it quickly**.

Daniel Hall, thank you again for joining us on this live interview.

Let's just jump right in so you can share your latest ideas about **getting started fast with online business**.

Questions

My first set of questions is about your background and experience in the field of **online business** so the **Entrepreneurs** in our audience can understand *who you are, where you're coming from, and how you got started*.

Then we'll jump into your latest ideas and thoughts about **getting started fast with online business** so our audience can understand how they can apply what you've learned to their situations in today's world.

1. Could you tell us a little about yourself in terms of background, education and experience in **online business**?
 - a. When did you get started?
 - b. What kinds of things have you done / experiences have you had in **getting started fast with online business** that are relevant to our audience of **Entrepreneurs**?
 - c. Were you an overnight success, or did you have to work for it?
2. What roadblocks did you face early on and how did you overcome them?
 - a. Do you think those had anything to do with your current work with **getting started fast with online business**?
3. What was your first major breakthrough with **getting started fast with online business**?

4. How is the world of **getting started fast with online business** different now than when you got started?

Well, it's obvious you've "been around the block" when it comes to **getting started fast with online business!**

Let's switch gears a bit now and move into the present where our audience of **Entrepreneurs** want to know about your latest developments and ideas in this area.

5. What exactly is **your "Real Fast" Info-Product Line** all about?
6. How did you come up with the idea for **your "Real Fast" Info-Product Line**?
 - a. How has it made an impact on your target audience's ability to get results with **getting started fast with online business**?
 - b. How is it NEW or better than anything else available for **getting started fast with online business**?
7. Why should people switch over to this new way of doing / thinking with your **"Real Fast" Info-Product Line**?
8. Is this the end of the road, or are you still making new discoveries to help people with **getting started fast with online business**?
9. What developments do you see on the immediate horizon for this area?
 - a. What about the long term? Anything cool in development?
10. What haven't I asked you about **your "Real Fast" Info-Product Line** or **getting started fast with online business** that you'd like to share?
11. What final thoughts do you have to help motivate **Entrepreneurs** with **getting started fast with online business** or **how to take an idea and run with it**?

Conclusion

Thank you **Daniel Hall** for a great interview. I'm sure all the **Entrepreneurs** in our audience learned a lot about **getting started fast with online business** and how they can apply it in their own situations. So thank you very much for sharing your expertise and experiences so graciously.
